

**Texts and Traditions of
Medieval Pastoral Care:
A Symposium**

A celebratory colloquium for Bella Millett organised by her friends with papers by Vincent Gillespie, Josephine Koster, Alexandra Barratt, Johnny Jakobsen, Anna Gottschall, Mishtooni Bose

Southampton University
10th July 2010
10 am– 5 pm, followed by a wine reception

Hosted by English, the Centre for Medieval and Renaissance Culture, and the University of Southampton, this one-day colloquium addresses academic issues which have been at the heart of Bella Millett's own distinguished academic career and of those specialists with whom she has worked most closely. It is related to, but extends, the cutting-edge scholarship in *Texts and Traditions of Medieval Pastoral Care: Essays in Honour of Bella Millett*, ed. by Cate Gunn and Catherine Innes-Parker (Woodbridge: York Medieval Press, in association with the Boydell Press, 2009).
