Zero Emission Waterborne Transport

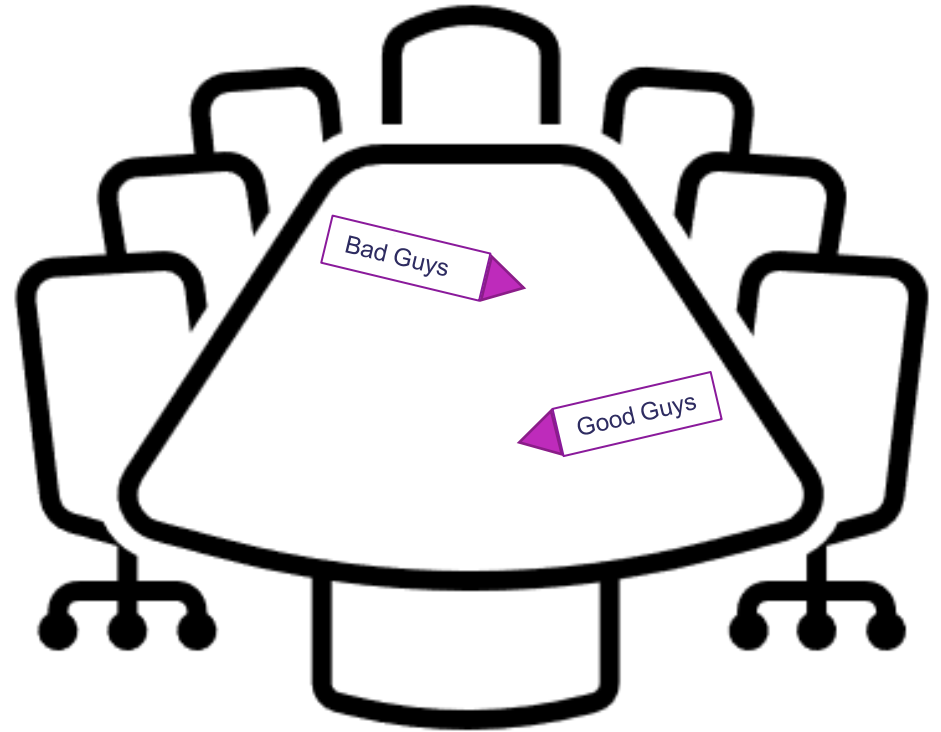

Strategic Research and Innovation Agenda

- Developed by the Waterborne European Technology Platform (TP)
<https://www.waterborne.eu/>
- Secretariat is Jaap Gebraad - Director Research and Development Affairs, SEA Europe, jaap.gebraad@waterborne.eu
- Membership of the TP (~€3000) will automatically mean membership of the partnership, benefits include:
 - Shaping the future work programme to be that which you want it to be
 - Networking with future partners/customers for future projects
 - Being fully aware of what's going on ahead of formal publication

Horizon Europe

UK Position

- Still under negotiation
- Options include:
 - Association to the Programme
 - Third Country participation

I'll let you decided which side is which
