

Please read the [Visiting Student Policy and Procedures](#) documents prior to completing this application form.

This application form is intended for students who wish to visit the University of Southampton to undertake research under the supervision of an academic member of staff on a specific topic, which will contribute to or support their research project as part of a degree qualification at their home institution. If this is not the purpose of your visit, this application form is not the correct form for you to complete. Please contact the Faculty Admissions Office or Graduate School for further guidance.

Please complete all sections of this form electronically or in black ink using capital letters (e.g. A, B, C)

Please note that if you are completing the .pdf with *Adobe Reader*, you will not be able to save your changes but only print it directly. You can save your changes on a .pdf version only using *Adobe Acrobat X Pro*. To save your .doc files as a .pdf please follow this [tutorial](#).

When ticking a box please right click on the go to *Properties* and change the *Default Value* to 'Checked'

SECTION A: To be completed by the applicant

1 Personal Details

If your contact details change after you have applied, please contact the Faculty Admissions Office or Graduate School as soon as possible.

2 Study Details

You will need to have discussed your visit with both your supervisor at your home university and your proposed supervisor at Southampton before making an application.

The maximum duration for a visiting student is 12 consecutive months. For more information about tuition fees, please see *Section 10.0 Academic Fees*, in the [Visiting Student Policy and Procedures document](#).

3 Supporting documentation

You will need to provide a letter of support from your supervisor at your home university and a letter/email from your proposed supervisor at Southampton, which confirms the details of your visit. **Please note that your application will not progress until both these documents have been received.**

4 Additional Support

Please provide details of any extra personal or academic support you require during your studies at the University. For further information about the support the University can provide, please visit the [Enabling Services webpage](#).

5 English Language Competence

Visiting Students whose first language is not English, must ensure that their level of English language (in reading, writing, speaking and listening) is sufficient to study successfully at the University, and may be required to achieve a particular level of English language from an Approved Secure English Language Test (SELT). The [University of Southampton Admissions Policy, Part F, Section 3, English language proficiency](#) provides further information on the University's English language requirements.

6 Signature

Please read the declaration and sign your application. Please note that the University cannot process your application unless you have indicated your agreement to these conditions.

The Application Process

Please print, sign and scan the application form (*pages 3-9*) and return **to the Faculty Admissions Office or Graduate School**. A list of contact details are provided below. Once your application has been approved you will receive an **offer letter**. It is important that you do not make any arrangements for travel or accommodation until you receive this letter.

Ethnic Origin Survey form

Once completed and signed, please return the Ethnic Origin survey form (*page 10*) to Registry Admissions at admissions.hub@soton.ac.uk.

SECTION B: To be completed by the receiving Faculty

Part 1 should be completed by a member of the administration team in the Faculty Admissions Office or Graduate School. Part 2 is to be completed by the proposed supervisor. Part 3 is the authorisation section, and should be completed by the relevant members of staff in the Faculty. Part 4 is a checklist reminder to the Faculty administration team.

ETHNIC ORIGIN SURVEY

The university takes pride in the diversity of its students and is committed to creating an inclusive environment for students where differences are respected and students are treated in a fair and non-discriminatory way. The information you provide on this ethnic survey allows us over a period of time to determine our progress in meeting our commitment to increasing diversity in our student recruitment and retention.

All students applying to universities in the UK are asked to complete an ethnic origin form. The information is required by the Higher Education Statistics Agency and is used for monitoring purposes.

This information is NOT used for admissions purposes. Upon receipt in Registry Admissions, the form is kept separate from your application and is not seen or made known to anyone considering your application for admission.

Please read the list below and tick the appropriate box that you feel most nearly describes your ethnic origin.
