

Spring Public Engagement Newsletter

Thank you to those who came along to the PE Network lunch and Showcase event on Monday, slides from the event will be sent out in due course to all who registered.

This brief newsletter includes a reminder to check out the events up and coming for SOTSEF, see below, plus the fantastic offer of activities, talks, workshops and tours to book tickets for on Science and Engineering Day on Saturday 14th March.

This year we are aiming to make the day fully accessible to all and have a number of resources in place to help with this. For more full information and ticket bookings please visit the website!

Southampton Science and Engineering Festival

Friday 6th to Sunday 15th March 2020

Science and Engineering Day

Saturday 14th March 2020

1030-1630

SOTSEF WEBSITE

Midlands Teacher and Advisor Event

2nd June 2020

Teacher & Advisor Conference

2 June 2020

National Space Centre

UKSRO hosting a teacher event in the midlands to promote the University and our 'Women in STEM' outreach activities

At the event we'd like to showcase and bring to life some of STEM research at the University and share with the teachers and advisors attending.

Can you help run an interactive stand in your research area at our event?

We can pay for time/travel/set up costs to run at National Space Centre in Leicester.
