

## OUR PATRON

### SIMON WESTON OBE

"I am delighted to become Patron of Allied Services Trust. The work that they undertake to support all of us in our lives is fantastic, in particular those

preparing for later life and care, and including those at risk in the Armed Forces and in Public Service. I am proud to be involved with such a forward thinking and proactive organisation. ....

It's much better to be prepared than to get caught out and incur significant legal costs, and the chances of needing help at various times in our lives is increasing.

It is a horrible thought but most of us will have a life changing event at some point be that through injury, stroke, dementia, degenerative disease etc which can result in incapacity be that temporary or permanent. Allied Services Trust can help us to easily gain access to the law and prepare a Lasting Power of Attorney ensuring personal wishes will be carried out when we are incapacitated and unable to make decisions for ourselves."
