A Christmas song for my love

A love song

On her birthday April 6th 1980

A song for my love

Oh England !

Remembrance day November 9th 1980

After Robert Herrick

Part of a love song

The mystery of love and pain

The wonder of God's love

On a burdensome morning for my beloved August 25th 1981

A prayer to the blessed Trinity

The answer

To my love now resting in peace

My valiant Kit

How my love waited

Again to my love resting in peace

How my love, at peace, still comforts me

Listening to my records

Time does not heal

More thoughts on how time does not heal

On her constancy

On the second Sunday after Easter April 25th 1982

After hearing Fauré's requiem

Love endures

Her last words to me

HER HEADSTONE blessed on her anniversary, November 15th 1982

Kaffa

On her courage and loyalty and enduring love

Love beyond the sky

A vision of heaven

My love at peace

Helen (aged 8)

Our love is for always

I love you so !

Calshot

Saying good-bye in October 1916, the photo

Tuba mirum spargens sonum

Love's new revelation

Oh her love for me

You are not here - oh, rest in peace !

Those from other lands

The opening bud
