Walker, D-M., Strickland, J. (2006). Foundation for good practice: guidelines for therapists. *Focus on Alternative and Complementary Therapies*. (11) pg 51.

Education:

Year	Establishment	Award
2008–2010	University of Nottingham	MA Higher Education (merit)
1999–2004	University of Nottingham	PhD
1997–1998	University of Bristol	MSc Research Methods and Statistics

Career:

Years	Establishment
2002 – 2014	University of Nottingham

Major conferences:

19 November 2010	Walker, D-M . Prospective Meta-analysis in Complementary Medicine, Vancouver, Canada
------------------	---

September 2010	Wilson, L., Walker, D-M , Placebo Effect in the Virtual World, Interactive Technologies and Games
November 2010	Gould, D., Haines, H., Walker, D-M . Effective Public and Patient Involvement in Research Proposals, Involve
November 2008	Walker, D-M . Involving Service Users from Hard to Reach Groups. Involve conference, Nottingham
October 2008	Walker, D-M ., Upstone, L., Vail, A., Wolke, D., Thornton, J., Marlow, N. The GRIT Children Study. 2 nd . Congress of the European Academy of Paediatrics, Nice, France
December 2006	Walker, D-M ., Liddle, P. Changes in Theta Rhythm in Patients with Schizophrenia: on-going research. 13 th . International Annual Symposium on Complementary Health Care
November 2006	Walker, D-M ., Standen, P. Cognitive Function in Early-Onset Psychotic Disorders, 13th. Biennial Winter Workshop on Schizophrenia, Davos, Switzerland
