Letter from Frank Morley, chairman of the Industrial Committee of the Board of Guardians for the Relief of the Jewish Poor, to Arthur Stiebel, President of the Board of Guardians for the Relief of the Jewish Poor, 19 June 1922, discussing his views regarding the proposal to amalgamate the work of the Sabbath Observance Employment Bureau with that of the Board.

He does not agree with the proposal as the work of the Bureau is place finding while the work of the Board is apprenticing. He states that the only reason that the Board should take up the work of an employment registry is to find places where Jewish festivals and holidays can be observed.
