**GCSEs:**

The University of Southampton will require all applicants to achieve at least a Grade 4 in English and Mathematics GCSEs (taken in England) or a Grade C in both subjects (where taken in Northern Ireland or Wales). Some degree subjects stipulate specific additional GCSE minimum grades (e.g. Medicine and some programmes within the Southampton Business School). Where entry criteria stipulate that applicants must achieve a minimum of a GCSE grade B in one or more subjects, we will expect applicants offering the new GCSE available in England to achieve a grade 6. In Northern Ireland and Wales the requirement will remain as a B. Where entry criteria stipulate that applicants must achieve a minimum of a GCSE grade A in one or more subjects, we will expect applicants offering the new GCSE available in England to achieve a grade 7. In Northern Ireland and Wales the requirement will remain as an A.
