*Linkage Study Area, 1963-1997/8, Mar 2000*

- 79 Royal Institute for Public Health and Hygiene: correspondence; information papers; copy of the journals *Public Health* and *Health and Hygiene*; copy of *Setting up the United Kingdom Public Health Association: a consultation paper* 1996-9
- 80 International Centre for Health and Society correspondence, including papers relating to a visit to Japan, 1996; Scientific files, containing journal articles, information on AIDS for Sir Donald Acheson as Chief Medical Officer, 1982-7 1982-7, 1996-7
- 81 Chief Medical Officer's submissions on AIDS: correspondence; 'The HLA haplotype A1 B8 DR3 as a risk factor for HIV-related disease' by C.M.Steel, Dianne Beatson, R.J.G.Cuthbert, H.Morrison, C.A.Ludlam, J.F.Peutherer, P.Simmonds, M.Jones 1987-8
- 82 'Developing local HIV prevention strategies': first meeting of the HEA of district HIV prevention coordinators; minutes of the Expert Advisory Group on AIDS, 1985-91; Text of speeches: 'Intractable pain clinics'; 'Rehabilitation, past, present and future', speech to the Overseas Doctors Association, 20 May 1991; 'The government doctor' for the Jon Snow Lecture; 'The longer perspective' at Redditch, Bromsgrove; 'Health, nutrition and government': John Revans Memorial Lecture; background information for a lecture at Southampton; Journal article on multiple sclerosis, 2001 1985-92, 2001
- 83 Copies of *Hansard* containing parliamentary debates on AIDS and HIV; paper 'The role of the medical officer' and correspondence relating to the nature and range of duties of NHS staff, 1987-9; copies of correspondence, papers for meetings, report of working party, relating to the government's handling of BSE and the BSE inquiry, 1988-99 1987-99
- 84 Chief Medical Officer's letters, 1984-91; Chief Medical Officer's AIDS submissions: correspondence, statements, 1986; World Summit of Ministers of Health on Programmes for Aids Prevention: draft opening speech, text of speeches, list of those attending, briefing papers, 1988; Report from the inaugural conference of the International Environmental Epidemiology Institute 'The environmental health effects of civil unrest', San Francisco, Apr 1999; Independent Inquiry into Inequalities in Health: correspondence, brief progress report, 1998; Typescript diary, 1984; Speeches by Sir Donald Acheson: 'The government's contribution to good health'; 'Does the National Health Service improve health?', May 1990; 'The national health'; 'Edwin Chadwick and the world we live in', 4 Oct 1990; 'Health and housing': annual lecture to the Royal Society of Health, 1991; off-prints of journal articles; Speeches by Sir Donald Acheson: draft speech to Northampton Medical Society, 'Modes of transmission of HIV as a basis for prevention strategies', paper for the GMC conference on postgraduate training in medicine; 'The government doctor': the Jon Snow lecture; 'The future of public health'; 'On the state of the public health': Duncan memorial lecture; 'Record linkage as an

A1081

- epidemiological tool'; 'Medical confidentiality and AIDS'; 'The longer perspective', welcome address to the European Cancer Experts Committee Meeting, speech at the launch of the project 'Good ideas in general practice'; 'Opportunities in the health services: developments in the decade ahead'; 'DHSS attitude to mobile coronary care'; 'Epidemiology and clinical practice'; 'Towards a new public health'; text of a speech by Justice Michael Kirby, Australia;  
Journal article by Sir Donald Acheson on the conflict in Bosnia; Yugoslavia: correspondence, paper setting out security guidance, press release, newspaper articles, notes on a visit to Ljubljana, Slovenia, 2 Sep 1992, photographs of WHO supplies at a warehouse, May 1994, copies of the second and fourth SRZ situation reports, WHO request to the Overseas Development Administration UK for winter aid to Bosnia and Herzegovina, report of the state of the psychiatric services in Sarajevo, draft proposal for a surgery project in Sarajevo, journal articles, newsletters, thirteenth report from the office of the WHO special representative, Zagreb, end of mission report on the health monitoring programme in the war affected areas of Former Yugoslavia, 1992-3, feasibility study on 'Critical spots on the main road corridors in Croatia and Bosnia and Herzegovina during winter season', paper on preventing deaths from hypothermia in Bosnia during the winter
- 85 Day files: correspondence, 1997-8; 1985-98  
Independent Inquiry into Inequalities in Health: presentation paper 'Equality of health: dream or reality?' by Sir Donald Acheson, correspondence, research papers, 1998-9;  
Chief Medical Officer: correspondence, papers relating to liver cancer, health and housing speech, submissions, 1990;  
Chief Medical Officer scientific papers: journal articles, 1985-9;  
Appointment diaries, 1992-5
- 86 Appointment diaries 1972-5, 1983, 1991-2002
- 87 Six video tapes, including an interview by Sir Donald Acheson as Chief Medical Officer on AIDS, Sep 1986; c.1980s  
Tape recording of 'The government doctor': the Sampson Gamgee Lecture, Birmingham, 26 Nov 1986;  
Cassette tape of a *Panorama* interview on BSE, 9 May 1986;  
21 slide boxes with slides, mainly for illustrations for lectures, such as on inequalities in health, the health of the nation, HIV and AIDS  
Christmas card from the Prime Minister Margaret Thatcher;  
Two copies of a black and white photograph of Sir Donald Acheson and negative
- 88 Papers as Chief Medical Officer: correspondence and 1990-1  
memorandums with the Department of Health and Social Security and the Secretary of State and to other government departments which relate to the outcome of a review on responsibilities for health with regard to food safety, alcohol consumption, benefits of training of ambulance staff, neutron and proton therapy, clinical standards and NHS review, the health of infants, children and their mothers, the effects of housing on health, traffic accidents, medical education, statutory clinical advisory group, Professor Michael Adler's candidacy for the post of Director of the GPA, human

A1081

- 88 [*contd.*] fertilisation and the embryology bill, salmonella infection, AIDS litigation with regard to haemophiliacs, ambulance services and cardiac care, anthrax in pigs, report on the prison medical service, scrutiny of medical divisions, the need for medical undersecretaries in some fields, anabolic steroid misuse, overview of research into spongiform encephalopathies, smoking policy within the Department of Health; notes of a meeting with Christopher Patten; notes of a meeting with the Secretary of State, 5 Feb 1990; report of a visit to the United States of America to review neutron therapy; report 'Some current issues relating to the public health and the medical profession'; 'Strategic priorities for the NHS - premature mortality'; briefing papers for the Secretary of State on significant issues for the Department of Health; briefing papers for the Secretary of State's dinner with senior members of the medical profession; report of a meeting with Sir John Herbecq and colleagues; presentation 'Health in a classless society', 3 Jan 1991
- 89 Appointment diaries 1987-91  
Nasal cancer: correspondence with regard to occupational hazards; 1958, 1968-70,  
process charts for the making of shoes; statistics; extracts or 1982-3  
reprints of articles  
*Primary health care in Inner London: report of a study group* May 1981  
commissioned by the London Health Planning Consortium
- 90 Speeches:  
Nasal cancer: notes, copies of articles, 1980-1, 1968;  
'The furniture maker's cancer: is it declining?': notes, transparencies;  
'Epidemiology of multiple sclerosis': notes;  
Asbestos: notes;  
'Arsenic and cancer': notes;  
'Impending crisis of old age: a challenge to ingenuity': notes; WHO presentation 'Add life to years', 1982;  
'Patterns in cancer': notes;  
Primary health care: notes, articles, introduction to, summary of and summary of comments by organisations on the Acheson report, *Inner cities* by K.J.Bolden (Occasional Paper 19, Royal College of General Practitioners, Dec 1981); correspondence, papers of meetings to discuss the report, 'Primary health care in Inner London' by Brian Abel-Smith;  
Mesothelioma: notes, copies of article, 'Epidemiology of mesothelioma from estimates of incidence' by J.Corbett McDonald and Alison D.McDonald to the International Congress on Occupational Health, Brighton, 1975;  
'People, physicians and pollution: notes;  
Privacy in the practice of medicine: abstract, notes;  
Raynauds phenomenon: notes, copies of articles, 1976, 1981, details of individual patients;  
Remedial therapy course: notes;  
Rheumatic diseases: notes for two lectures, copy of WHO report
- 91 Speeches:  
'Some disorders of small vessels': notes;  
'Allocation of resources in a teaching district': notes, inter-regional training scheme in community medicine timetable, Southampton, 1976;  
Dr Challoner's high school prize giving speech, 1976;  
Cancer and the brewing industry: notes, copies of articles, 1979;  
'Epidemiology and uterine cancer': text, overhead transparency;

A1081

- 91 [*contd.*] `Epidemiology of primary brain tumours': notes, statistics, copies of articles, 1967, 1978;  
Ethics of the allocation of medical resources: notes, correspondence;  
Gout: notes, correspondence;  
`Strikes: are they killing people?': notes, copy of article, 1980, circular on the right to strike;  
`The wanted and unwanted effects of treatment': notes;  
`Industrial and community health': Adolf Streicher lecture, Research Centre, North Staffordshire Medical Institute, 5 Dec 1978: text, correspondence, final report of the steering committee of the Medical Institute;  
Wellcome Trust course for senior medical administrators: correspondence, programme;  
Text of votes of thanks and press release in the Times supplement on the inauguration of the medical school at Southampton, 1971;  
Edinburgh: correspondence and curriculum review working party report for the Faculty of Medicine, University of Edinburgh, programme for lectures;  
Medical Research Council environmental epidemiology unit: notes, correspondence;  
The patient and his record and society for a Wessex Regional Health Authority workshop: notes
- 92 Southampton medical school: notes for talks, booklet and article by Acheson, *Teaching methods at Maastricht Medical School*, correspondence, papers, list of delegates for the RI medical commission fourth seminar at Southampton;  
Overseas Doctors' Association: covering note with notes on some of the main personalities, *A guide to the NHS for overseas doctors*, programmes for social meetings;  
Contributions to a book on cancer risks and cancer prevention: correspondence, 1983;  
Nuffield studies in the physiological and biological sciences at N and F level: correspondence, working papers, 1976;  
Copies of journal articles, some by Sir Donald Acheson, relating to cancer amongst woodworkers, furniture workers and shoe and leather workers
- 93 Copies of journal articles, some by Sir Donald Acheson, on linking medical records and the Oxford Record Linkage Study and on obstetric care; text of an address at the memorial service of Professor David Miller; list of principal scientific papers written by Sir Donald Acheson;  
`The epidemiology of multiple sclerosis: a reappraisal': notes for speech, statistics, journal article;  
Notes for an after dinner speech to the Medical Women's Federation, 1976;  
WHO background documents: *Health and the cities: a global overview* and *The organization of urban health systems*; programme with supporting papers and journal articles for Sir Donald Acheson of the Medical Research Council Environmental Epidemiology Unit meeting, May 1992; `Does cancer control require a national policy': 1991 Crookshank Lecture to the Royal College of Radiologists; `Edwin Chadwick and the world we live in': Chadwick Centennial Lecture; article by Sir Donald Acheson in *Hospital Doctor*; `Civil litigation in the nineties': Lord Griffith's speech at Glasgow; copies of reference material on abnormalities in the human frame;

A1081

- 93 [*contd.*] Litigation in obstetrics and the causes of cerebral palsy: notes, copies of journal articles, statistics, bibliography
- 94 Oxford record linkage study: introduction by Sir Donald Acheson, correspondence, papers;  
Multiple sclerosis: journal articles, report of a research study on the Faroe Islands;  
Journal articles, research papers, some by Sir Donald Acheson, relating to coronary artery bypass grafting, epidemiology, cancer, organ removal in the Oxford area, deaths after discharge from hospital, undiagnosed abdominal pain treated in hospital, medical records linkage and research; notes; computer search bibliography relating to nose neoplasms;  
'Recent trends in medical education': notes for speech;  
Southampton Medical School: notes for speeches, questionnaire forms relating to the performance of house officers;  
'Effects of schools council's proposals on higher education: a medical view': by Sir Donald Acheson: text of paper, notes, reference material
- 95 Oxford record linkage study feasibility study: papers, notes of meetings of advisory panel, correspondence, copies of journal articles;  
Symposium, University of Newcastle upon Tyne: correspondence, text of paper, 1970;  
Report on the Department of Community Health Abel Salazar Institute of Biomedical Sciences, University of Oporto: draft and typescript copies of report, correspondence, 1977
- 96 Nasal cancer: correspondence, 1969-79; 'Nasal cancer in the boot and shoe manufacturing and repairing industries': a paper prepared for the Industrial Injuries Advisory Council, 1977 1969-79
- 97 Nasal cancer: national nasal cancer survey occupational tables; Oxford region correspondence, 1969; correspondence, tables, lists of names and addresses of former workers in the shoe and boot industry who have been diagnosed with nasal cancer, report of a visit to a former shoe industry worker for a paper on nasal cancer in the Northamptonshire boot and shoe industry, 1981-2
- 98 Nasal cancer: correspondence; notes; occupational tables; 'Nasal cancer cases (males) diagnosed in E and E 1963-7 according to occupational order with five year incidence rates computed on the 1961 census population'; 'Impairment of nasal mucociliary clearance in wood workers in the furniture industry' by A.Black, J.C.Evans, Esme H.Hadfield, R.G.Macbeth, A.Morgan and M.Walsh; 'Adenocarcinoma of the nasal cavity and sinuses in England and Wales', by E.D.Acheson, R.H.Cowdell and Elizabeth Rang; lists of names and addresses of former workers in the shoe and boot industry in Northamptonshire diagnosed with nasal cancer; details of woodworkers in Oxfordshire and Buckinghamshire diagnosed with nasal cancer; 'IARC monograph on the carcinogenic risk for humans in the wood and leather industries: 3.3.2. - chemical properties of the dusts inherent in the wood industries' by David L.Brink, 1980; *A review of recent work on nasal cancer in the Northamptonshire boot and shoe industry* by L.P.Huggett (Satro publication, Jun 1970); journal articles

A1081

- 99 [R] University of Southampton: personal files correspondence and curriculum vitae of Sir Donald Acheson, 1968-81 1969-81  
File relating to Anita Thomas
- 100 Multiple sclerosis: correspondence, 'Migration prior to onset and the risk of multiple sclerosis: a brief review of published data' by Sir Donald Acheson; *Multiple sclerosis indicative abstracts* May 1983; c.1983-93  
Medical records linkage: lecture notes, lists of general practitioners and consultants, index of health authorities and town codes for the Oxford medical linkage study;  
*British Medical Bulletin* on epidemiology of non-communicable disease with an introduction by Sir Donald Acheson;  
Leaflet for the regional meeting of the International Epidemiological Association, Jerusalem, Feb 1993
- 101 Appointment diaries 1970-1, 1978, 1975/6-1979/80, 1983/4, 1979-82, 1984, 1986
- 102 Multiple sclerosis, Faroe Islands: fact sheets and information booklets relating to the Faroe Islands
- 103 Text book on medical records linkage: copy of publication agreement, correspondence, typescript text
- 104 Offprints of articles by Sir Donald Acheson: 1981-3  
'Nasal cancer in England and Wales: an occupational survey' from the *British Journal of Industrial Medicine* (1981) by E.D.Acheson, R.H.Cowdell and E.H.Rang;  
'Mortality from mesothelioma of the pleura during 1968-78 in England and Wales' from the *British Journal of Cancer* (1982) by M.J.Gardner, E.D.Acheson and P.D.Winter;  
'The prevalence of intermittent digital ischaemia (Raynaud's phenomenon) in a general practice' from *The Journal of the Royal College of General Practitioners* (1983) by Judith Heslop D.Coggon and E.D.Acheson;  
'Nasal cancer in the Northamptonshire boot and shoe industry: is it declining?' from the *British Journal of Cancer* (1982) by E.D.Acheson, E.C.Pippard and P.D.Winter;  
'Electrically heated gloves for intermittent digital ischaemia' from the *British Medical Journal* (1983);  
'Pollution and health risks';  
'Is nasal adenocarcinoma in Buckinghamshire furniture industry declining?' from *Nature* (1982) by E.D.Acheson, P.D.Winter, E.Hadfield and R.G.Macbeth;  
'Towards strategy for the identification of occupational carcinogens in England and Wales - a preliminary report' from *Banbury Report 9: qualification of occupational cancer* (1981) by E.Donald Acheson, Martin J.Gardner and Paul D.Winter;  
'Mesothelioma in a factory using amosite and chrysotile asbestos' from *The Lancet*, by E.D.Acheson, M.J.Gardner, C.Bennett and P.D.Winter;  
'Variations in cancer mortality among local authority areas in England and Wales: relations with environmental factors and search for causes' from the *British Medical Journal* (1982) by M.J.Gardner, P.D.Winter and E.D.Acheson;
