Meet Other Students

Let us know what you think...

We'd love to hear your thoughts on our new transition programme this year.

Those who attend a student support appointment will have the opportunity to provide us with your feedback on any parts of the transition programme you participated in, by filling in a brief questionnaire. These will be sent to the personal email address you registered with and **unless you choose to include your name, your responses are completely anonymous.**

All participants who *do* leave their details will be entered into a prize draw to win a **wellbeing goodie bag**. Please be aware that we will not contact you using the details you provide for any reason other than the prize draw.

We hope to hear more about your experience soon!
