EVENTS & ACTIVITIES

There is never a dull moment at the University of Southampton Malaysia. The Students’ Association, the IMechE - UoSM Student Chapter, the UoSM IET on Campus, TEDxUoSM and other clubs host many activities throughout the year that celebrate campus life and cultural diversity. On any given week, the University has a variety of events – lectures, performances, exhibitions, concerts, workshops and more – many of which are student planned and run.

The University supports student efforts to take the lead in shaping the learning and living environment. Many student organisations work with the Student Office to plan events and bring exciting guests, artists and speakers to campus.

**HOW TO FIND US**

**Malaysia**

University of Southampton Malaysia is located near the southwestern tip of Malaysia, about four hours drive south of Malaysia's capital city, Kuala Lumpur.

The campus is located within the EduCity development in a regional city called Iskandar Puteri, Johor. A 305-acre site dedicated to education, EduCity is modelled on the Dubai Knowledge City.

Iskandar Puteri is accessible from the North-South Expressway, which links all major cities on the West Coast of Peninsular Malaysia between Thailand and Singapore. The North-South Expressway is also connected to other major expressways including the Malaysia-Singapore Second Crossing, also known as the Second Link.

EduCity lies within 60 minutes of Singapore Changi International Airport and 30 minutes of Senai International Airport. Central Singapore is approximately a 40-minute drive away.
