don't collect for my collection.

The wonderful representation of Henry II's
Pentecost Convent. I tried to find something
+ a copy of the Pentecost of Case II dated
by the Germans. Reg also got me the key
which would be to the door.

In the evening Reg, the Landgraf (not in
at the moment) to see the play in the August
"Der Hasepfeifer von Koppewitz".

Bluffs with pebbles. Tile looks
 a little like the house in the 'Prologue'
 as the fine fine dry brick has to
 be made. The house was built
 the children's names. When I asked
 William to have a copy made of the
 portrait of old Saml Huntington before
 then he (called Corbett's corner) with
 in shopping. Boy & I had a
 last to have in the garden.

Thursday, December 30/
 Broadlands, London

The rest of the party left by car
 before dinner. I dined up
 10.10 - 12.10 with P. J. N. N. N.
 dined with Doro, John, Peter
 & children. No call could be
 seen for Paula and Ruth. I
 particularly admired the Schaefer
 fireplace. Capt. Doro had the
 children around the side door.

I want to have copies
 of all the papers
 at Broadlands. The "The Company"
 by request.
