Saturday, August 15

Adsdan & Southampton & Poole.

In the morning we rode.

Searchlight is really too large nowadays, but luckily Edwina wore her new pair of long necked spurs. Immediately after

lunch I motored to Southampton. I then went with Cresswell & Hood in Shadow II to Poole, taking only 1 hr. 25 min to do 40 miles, slowing completely down in the needles race. Koolman drove the

car round to pick us up. Was given tea by the Commodore & members of the Parkstone sailing club & motored back just in time for dinner.

Sunday, August 16

Adsdean

10th S. after Trinity.

Tuesday, August 18

Bournemouth & Addean.

We embarked in Shadow II at Poole & came round for the 3 races at Bournemouth.

There were 6 entries, including Graham-White's "gee-wig". The 1st race was an open one, 18 miles, I won this, in spite of a bad start, doing it in under 27 minutes. Lunch at Branksome.

In the 2nd race I got another bad start & as I was passing Graham White on a turn the propeller shaft broke, I got Shadow I to be Shadow II back to Poole.

Motored back to Addean - Those who backed me at 4 to 1 must have made some money.

Gee-wig was favourite.

Wednesday, August 19

~~Adelphi & Portsmouth~~

Work as usual. Edwin & May
have gone to Harder leaving me the

& knocked a ball about.

Friday, August 21

Adsdlean & Portsmouth

Work as usual. I had my first day on as "First Duty officer" but a fellow called Jones, who is a bachelor volunteered to look out for me for the night so I got the Morris-Cowley sent in & came out at nearly ^{Poppy down} midnight. Edwina had ^{misheard} the pieces & a friend of their Colonel Mann, ^{camp} down. Brecky is also here from the Advance Party at Petersfield Camp. I found Mary in Edwina's room behaving too greenly for words & accusing the unfortunate Colonel Mann of being a brain specialist.

Saturday, August 22

Cadsdean.

George Spencer came to lunch.
 Mary was worse than ever at lunch
 queer & rude, especially to Colonel Mann.
 Spencer & Poppy motored off after
 lunch. after much difficulty
 we got Mary to bed in Edwin's room
 before tea. Colonel Mann left.
 Nell Casden & Ali Macin both
 arrived. Mary suddenly broke out
 & came down to the dining room in her
 night dress rain. Got her to bed
 in my room & Edwin & I take turns
 in never leaving her. Telephoned for
 the local doctor (Dr. Macarther) at
 midnight, but owing to a puncture
 he did not arrive until 3:00 AM.

Sunday, August 23

Adsdcan.

11th S. after Trinity.

Many quite awful smashing things
up in my room & in the throes of a
bad nervous breakdown. Had important
discussions with Ali & Nell about Miss
Beatrice Byrne. Mary showed me a
"mechanical" letter of great importance.
Mr. Gordon Holmes, a London nurse
specialist & 2 mental nurses arrived
in the evening which relieved the
tension on Edwina & me. Ali & Nell
left.

Monday, August 24

Adsdan

Mama arrived at lunch time to stay. Mary still raining & now wrecking her own room to which she had to be forcibly removed. Edwina went to London to meet Daddy, hastily summoned from Scotland. She also had an interview with Ali who had seen the Byrnes. She phoned me home.

I forgot the best bit of news, nearly. I went to Haslar for my medical board for leave from September 5th for an operation for my tonsils. The Surgeon Rear-Admiral (McLean) kindly enough was the man who originally took them out in 1915.

They gave me 28 days sick leave from today! So I packed up & said good-bye at the Signal School.

Tuesday, August 25

Adsdan.

Brecky & I waited about all day to go over for the Schneider Cup Sea plane trials at Southampton, which had been put off from yesterday & at tea time we were telephoned for, Brecky motoring me over in his Bentley. Shadow II had been asked for as the only boat fast enough to keep up with her on land, & I took the principle people concerned out in her but owing to lack of opportunity the Sea plane never got right off the water. Mamma, Margarita & Dolly left. Daddy was here (hidden in the billiard room as Mary had been searching the house) & we had a talk. As the local Dr. did not advise his son Mary Daddy left again, but Edmund stayed.

Wednesday, August 26

Adsdcan.

Edwina, Breckie & I motored over for the Schneider Cup Sea plane trials again & took the same party out in Shadow II. This time she flew beautifully - she should do 260 mph & land at 80! Hence the need for Shadow II. Looked over one of the Southampton class of flying boat being built at the Supermarine works by Lord R. Bird.

Windy is still as bad & another nurse arrived to-day.

Thursday, August 27

Adelaidean

Breckie went to London for the night. Daddy & Maddy arrived down at tea time & the former saw Mary to release her provisionally from her promise.

Friday, August 28

Adsdam-

Breckie returned. Edunia & I
had an uneventful ride. No
change with the poor old Maria. What
I think of the man who has caused this!

Saturday, August 29

Monday, August 31

Wednesday, September 2

Adelaide.

I took Shadow II round to Southampton although it was blowing a bit & gave a demonstration to the CMB base people (Stanfield, etc.) on the way. Also called at Netley Castle & gave Nona, Dick I & Lady Emma Crichton & 2 girls a spin. Mr. Kemp suggested on buying Peter Pan.

After a thorough survey decided to take her & the Skipper (Captain Clarke) on. We are going to put in a fourth cabin & bathroom also a deck house & a new Paint & galley.
